

# Calico Moon

## Terms

A non-refundable deposit of £125 will confirm your reservation. Full payment must be made one calendar month before the date of the hire. Failure to do so may result in cancellation of the hire.

Quotes are valid for 7 days. Changes made to the booking after the quote has been accepted may incur further charges. If you need to cancel, we need to have the cancellation in writing no later than one calendar month prior to the date of hire. Failure to do so may result in the hirer being asked to pay the full amount outstanding.

We reserve the right to charge the hirer a minimum of £100 for any breakages or spillages incurred to the vehicle(s) whilst under hire. In the event of body or paint damage to the vehicle/s due to negligence by the hirer or hirer's party, the hirer is liable for all repairs.

CM is unable to take responsibility for unforeseen conditions or circumstances which may result in a delay, cancellation or change of vehicle. These conditions include but are not limited to adverse weather conditions, mechanical/electrical breakdown or restricted access. Where a vehicle breaks down before the ceremony every effort will be humanly made for the immediate repair to the vehicle so that the journey can continue, or where possible the hirer will be transferred to another vehicle (not necessarily a Volkswagen) so that the journey can continue. Any reasonable cost incurred will be borne by Calico Moon. If onward transportation is not possible to arrange, a full refund will be given. If a vehicle breaks down after the ceremony no refund will be given although we will do everything we can to make sure the bride and groom find transportation to their reception, covering any costs incurred for the hire of another vehicle. We cannot be held responsible for traffic congestion which may lead to late or missed connections en route to your destination. Although our VW's may be from the 50's, we do use a Sat Nav and we'll therefore always do everything we can to find alternative routes where possible. No refund will be given for missed or late connections.

There is a strict no smoking policy in the vehicle(s) at all times. Maximum number of passengers in both Filly and Wilson is 7. The beetle seats up to 3 passengers. These are maximums and dependent upon size of passengers and size of the bride and bridesmaids dresses.

We will accept no responsibility for any loss or damage to personal property or luggage whilst using our vehicles.

Due to the age of our vehicles, seatbelts are not required. Children under 16 also travel at their own risk. We cannot be held responsible for any injuries caused through any accidents, be it our fault or a third party incident. A Travel Consent Form must be signed by the parent or guardian of any child travelling in any of our vehicles on the day of the wedding. We recommend that any child requiring the use of a booster seat travel in a vehicle with seat belts. This is only a recommendation though.

We sometimes take photographs at your wedding which we may use on our website. If you would prefer us not to, please advise us when you confirm your booking.

CM has full wedding insurance for your peace of mind.

Thank you for reading our Terms
